The British Soccer Camp program is Challenger's own brand of Individual Foot-Skills, Fakes, Moves and Turns, Freestyle Soccer, Technical & Tactical Instruction, Small-Sided Games, Daily World Cup Style Tournament, Cultural education, Character building, and fun! And now campers can continue to improve what they've learned at camp throughout the year through iChallenge - Challenger's new personal coaching app!

Each camper will receive a code to download the iChallenge app, and 20 videos for free! Campers view and practice the skills linked to their ability level, upload a video of themselves completing the skills, and then receive personalized online coaching from a member of our experienced virtual coaching team! Each camper can score points for their videos, see how they rank internationally, and challenge others to innovative freestyle duels!

iChallenge is an app-based 'personal coaching framework' aimed at maximising the potential and creativity of players, no matter what their level of play...

Make camp even more special for your child by hosting one of our International coaches.
